

NEWSLETTER – 16th June 2017

We are racing through this last term of the academic year. It is a very busy term with lots of trips, school events and, of course, we are saying goodbye to our Year 6 pupils who are off the secondary school.

Fathers Day Worship/Open Morning

It was wonderful to see so many of our dads, grandads, uncles and other special male members of our school family at our worship this morning. Thank you to Class Reception St Mary who presented a very joyful and moving worship.

Year 2 Multi skills Festival

Year 2 enjoyed the Multi- -skills Festival event at Kingsthorpe College along with schools from our local area. They were able to try many different sports such as Archery, Football and Tennis and had a great time!

Arts Week

We had a fabulous week of Art activities culminating in a super art exhibition for our school family. A big thank you for your support and for your donations too; we raised over £70 which will be spent on some specialist art equipment for the children.

Staff Changes

At the end of term we will be saying farewell to Mr Cole – Year 4 and Mr Mcloughlin – Year 5 who will be joining other schools in September. Thank you too to Mrs Kinton who has been working with Year 2 St Crispin.

Also after many years service, Mrs McKinnon and Mrs Preece will be leaving us to take a well-earned break from school life.

We wish them all the very best for the future.

We welcome into our school family Miss Cox, Miss Phillips and Mrs Tucker who will be joining us in September. We hope to confirm classes by the end of June.

Summer Reading Challenge – Kingsthorpe Library

We are delighted to announce today that Animal Agents, illustrated by Tony Ross, will be the theme for the 2017 Summer Reading Challenge.

The Summer Reading Challenge, run in partnership between The Reading Agency and the Society of Chief Librarians, draws children from across the country into their local library each summer and inspires them to read for pleasure. Children can sign up to read at least six library books over the school holidays and collect incentives along the way.

For more information call in to Kingsthorpe library or visit:

Science Week – Mon 26th June to Fri 30th

We are preparing for an exciting week of Science activities commencing Monday 26th June. Can you please send in empty and washed pop bottles complete with lids over the next week. Thank you in advance.

Science Fayre

On Friday 30th June, we are holding a Science Fayre during the school day. The children will bring in their Science projects, which will be displayed in the Chapel for the all children to enjoy, and prizes will be awarded for creativity, scientific content, presentation and communication.

Kindness

We complete the year with the value of Kindness, which is the Fruit of the Holy Spirit.

Here are some Bible passages that you may use with your children when considering kindness.

Proverbs 11:16-17 “A kind-hearted woman gains respect but ruthless men gain only wealth. A kind man benefits himself, but a cruel man brings trouble on himself.”

Proverbs 12:25 “An anxious heart weighs a man down, but a kind word cheers him up”.

Luke 6:31 “Do to others as you would have them do to you.”

1 Corinthians 13:4 “Love is patient, love is kind. It does not envy, it does not boast, it is not proud.”

Ephesians 4:32 “Be kind and compassionate to one another, forgiving each other, just as in Christ God forgave you.”

Colossians 3:12-14 “Therefore, as God’s chosen people, holy and dearly loved, clothe yourselves with compassion, kindness, humility, gentleness and patience. Bear with each other and forgive whatever grievances you may have against one another. Forgive as the Lord forgave you. And over all these virtues put on love, which binds them all together in perfect unity.

1 Thessalonians 5:15 “Make sure that nobody pays back wrong for wrong, but always try to be kind to each other and to everyone else.”

As ever, children are invited to explore Kindness by producing artwork or writing that we will share in school.
